

The mission of Leadership Rockland Inc. is to identify, inform, and inspire leaders to better serve our community by increasing their awareness of the many facets of Rockland County. The goal is to attract and nurture exceptional leaders and provide opportunities and structure for a continuum of professional development activities which will enhance their knowledge of Rockland County.

Dominican University's goal is to promote educational excellence, leadership, and service in an environment characterized by respect for the individual and concern for the community. Building programs on a strong liberal arts foundation, the College maintains a student-centered climate while offering an array of undergraduate and graduate degree opportunities across multiple disciplines. The college is dedicated to the principle that educational programs and services should challenge and support students.
